Over 80 million Americans have bad credit. It can happen to anyone – your family, friends, neighbors, coworkers. It can happen to you – if it hasn't already. Knowledge, not wealth, is the only thing that will prevent you from having bad credit.

Learn the secrets that lenders and collection agencies don't want you to know! Our credit education video series covers every aspect of credit scoring:

- Feeling hounded or hassled? Tired of the shame and humiliation that comes with being turned down for a loan or credit card? Take the pressure off. Learn how to deal with **delinquencies, collections, charge-offs, judgments, and liens**.
- The more you understand credit card scoring, the more you can control and improve your score. We'll teach you about **credit score components, the perfect mix of credit**, and the utmost importance of **debt ratio, inquiries into your credit**, and the **age of your credit file**.
- Trying to improve your financial situation through **debt settlement, loan modification, bankruptcy, credit repair agency**, or a **short sale**? Your credit problems didn't happen overnight and they certainly won't be solved overnight. Changing your credit score takes time and effort – if someone's offering you a quick fix, let us tell you the inside story before you sign on the dotted line.
- Your credit score is one of the most important things in your life... that you don't know nearly enough about. Through our videos, you'll recognize how your credit score can affect your opportunities for **employment**, your ability to qualify for a **mortgage, student loans, auto loans**, and **business credit**.
- Learn how to **build your credit, get your credit report**, separate fact from fiction when it comes to **credit score myths**, and protect yourself from **identity theft**. And know this – being married doesn't mean you're safe – find out why **couples and credit** don't necessarily mix.

24 videos, over 200 topics, a lifetime of knowledge... with patience, determination, and, most of all, a smart credit education, you can learn exactly what you need to become credit healthy. Click here to learn exactly what you'll get when you purchase our Credit Education Video Series.
