Emmett and turning them into vampires.

- **Esme** – Matriarch of the Cullens, Carlisle's wife, mother figure of the five Cullen "kids" for all intents and purposes.
- **Alice** – Edward's "sister" and Bella's best friend. Spritely but fierce, fashion maven, able to see the future (when werewolves aren't involved).
- **Jasper** – Alice's partner. Has the ability to control the emotions of people around him. Unfortunately, has a hard time controlling his own vampire thirst around Bella.
- **Rosalie** – Considered the most beautiful woman, though incredibly shallow and vain. And she kind of hates Bella for being human (which is what Rosalie wishes she still could be).
- **Emmett** – Rosalie's partner. The big teddy bear of the Cullen clan, though fierce and competitive.

Half-Human, Half-Vampire

- **Renesmee** – Daughter of Edward and Bella (who gave birth to her before becoming a vampire). Named after her grandmothers – Renee and Esme. Has the ability to show anyone what she has seen or is thinking by touching their face.
- **Nahuel** – Saves the Cullens by appearing, after being tracked down by Alice and Jasper, just as the Volturi arrive in Forks to discipline the Cullens for creating a "child vampire" (Renesmee). He is proof that human-vampire hybrids exist and are not a danger to the Volturi.

The Nomadic Vampires

- **James** – A tracker and the main villain who tries to kill Bella in Twilight but is foiled (and destroyed) by the Cullens.
- **Laurent** – Warns the Cullens of James' tracking abilities in Twilight. Spends time with the Cullens' vampire friends before coming back to Forks in New Moon where he attempts to finish off Bella... but then the werewolves finish him off.
- **Victoria** – Determined to kill Bella for her role in partner James' demise. Eventually killed by Edward in Eclipse after she created an army of newborn vampires to wreak havoc and assist in her revenge against Bella.

The Vampires – Denali Coven

- **Tanya** – One of the three original Denali "sisters." Leader of this Alaskan coven, once interested in Edward. Friends of the Cullens since they share the same vampire sensibility – only drinking animal blood, not human.
- **Irina** – Denali "sister." Mate of nomadic vampire Laurent. Holds a grudge against the Cullens for Laurent's death at the paws of the werewolves and eventually sells them out to the Volturi.
- **Kate** – Denali "sister." Helped originate the myth of the succubus with her sisters.
- **Carmen** – Originally from Spain, now a member of the Denali coven. First to accept Renesmee.
- **Eleazar** – Carmen's partner, once a member of the Volturi guard. Has the ability to sense the powers of others.

Vampires – The Volturi

- **Aro** – Leader of the vampire royalty known as the Volturi. Has the ability to see everything that has ever happened to a person and read their minds simply by touching them. Wife: Sulpicia.
- **Caius** – A Volturi leader and enforcer of their laws. Wife: Athenodora.
- **Marcus** – A Volturi leader, able to sense the strength of relationships between people. Wife: Didyme (deceased at the hands – or bite – of her brother Aro).

- **Jane** – Volturi Guard member, Alec's twin sister. Has the ability to create the illusion of pain with a smile.
- **Alec** – Volturi Guard member, Jane's twin brother, a teenage vampire with the ability to cut off peoples senses so they feel nothing at all.
- **Demetri** – Member of the Volturi Guard, a master tracker of anyone.
- **Gianna** – The Volturi receptionist (and still human) who hopes to be granted a vampire future herself one day.

Other members of the Volturi Guard: **Felix, Chelsea, Afton, Heidi, Jane, Renata, Santiago, Corin.**

Other Vampires

They include a motley but determined crew: **Garrett, Vladimir, Stefan, Mary, Peter, Charlotte, Randall, Alistair, Charles, Makenna, Kachiri, Senna, Zafrina, Maggie, Siobhan, Liam, Amun, Kebi, Benjamin, Tia and Huilen.**

The Werewolves

- **Jacob** – Main character. Bella's best friend in New Moon and Edward's rival in Eclipse for Bella's love. Imprints on Renesmee. Though he is the Alpha and rightful leader of the La Push pack, he eventually splits off and forms his own wolf pack.
- **Sam** – Leader of the La Push wolf pack as the first human to have phased. Engaged to Emily and tracks down Bella in the woods where she is despondent after Edward leaves her in New Moon.
- **Paul** – A wolf with a bad temper and a constant annoyance to Jacob.
- **Jared** – A quiet thoughtful wolf, one of the first to phase after Sam.
